Perfect for cooking, dressing, or dipping, this olive oil delivers a true Mediterranean experience straight to your kitchen.

Extra Virgin Olive Oil

Cereals

Bsissa

BSISSA

Bsissa is a variety of mixtures of roasted cereals ground with fenugreek, aniseed and cumin.

It is typically mixed with olive oil into a paste. Various spices, almonds, halva and dates, are added to prepare tasty porridge type of breakfast.

When mixed with milk or water it creates a traditional drink to serve with dates and dried fruit.

This kind of food is known throughout North Africa.
